From
The Principal,

To
The Secretary to Govt of Mysore,
Genl & Rev Departments

Sir,

I have the honor to forward for the consideration of the Government an application from Mr B Nagappa, former B A student of this College and recently a law-student at Gray's Inn, London, for special assistance from the Government in the shape of a scholarship to enable him to finish his law course

He bases his application on the following grounds -

1 that he is the first member of the Reddi vakkaliga community to have gone to England to study for the Bar and that this community constitutes one-fourth of the population of Mysore,

2 that there are the precedents of the scholaships granted to two Mysore students to go to England to study for the Bar viz , Mr Abdul Basith as representative of the Muhammadan community and Mr Krishnaswami Naik of the Pollegars - both of whom unfortunately died before finishing their course,

3 that there is the practice of other Native States in India such as Baroda and Hyderabad, which freely grant such scholarships,

4 that he has already more than half completed his course at his own expense and gained very satisfactory certificates of having passed the several Examinations in Roman Law, Constitutional Law, and Legal History, Evidence Procedure, Civil and Criminal Law &c ,

5 that the cost of proceeding to and studying in England has proved much greater than he anticipated and

that he will be unable to complete the course unless the Government will kindly come to his assistance

I consider that what he has already done, as proved by the several Examinations which he has passed, is highly creditable to him and bears out the favourable tesimonial which I have already given him on the 20th March last

I have much pleasure in recommending his request to the favourable consideration of the Governemnt

I have the honor to be,
Sir,

Dear Sir

I beg. to Submit my petition to your kind consideration and humbly request you to be kind enough to recommend my case to the Govt of Mysore.

I am a native of Bangalore and a member of Raddy Vakkaliga Community numbering about 100000, in Bangalore and Kolar Dists nearly all are agriculturists and I am sorry to state are mostly illeterate So much So that I am the only one at present who has received the University Education and passed the Matriculation Examination in I st Class and F A with credit and one branch of the B A degree Examination of the Madras University taking mathematics as my optional branch.

I was the first to go to England to Study for the Bar among all Vakkaligas numbering about 1,400 000 according to last Census (including all Sub-Sections) more than $\frac{1}{4}$th the population of the Mysore Province I was admitted a member of Gray Inn in April 1899 and I am happy to State that I successfully passed in due course the Bar Examinations (Subjects I II and III.) and I wish to Compete for Studentship in Honours in June 1901

I have herewith annexed all the certificates of all the Examinations that I passed during my Stay at London given by the Council of Legal Education and by all the Professors

I underrated the cost of 3 years course at London and my resources were only just Sufficient to enable me to complete 2 years course nearly and Consequently I am compelled to return to India in the Middle of the Course for want of funds

The Native States in India have always adopted the wise and Statesmanlike policy of promoting the Cause of Education among the members of those communities which are backward in matters of education and have granted Scholarships and Still giving Scholarships to many Students to Study for different branch of learning in England

H H The Maharagah of Baroda for instance has granted Scholarships to more than half a dozen Students Studying for the Bar at the present time and to many more Studying for Medicine & Engineering etc

H H The Nizam of Hyderabad has also granted Scholarships to more than a dozen Students Studying for the Bar Medicine and Engineering etc, at the present time

Our most enlightened H H the late Maharagah granted Scholarships in 1874 to two Students Studying

for the Bar, namely to late
Mr Abdul Baseeth, the first
Muhammedan Student to go
~~to go~~ to England from Southern
India, and also to late
Mr M. Krishnasawmy naick
who was drawing 200£ a year
for nearly 2½ years and also was
given the passage fare to &
from and his fees amounting
to 150£ nearly

I was the first Vakkaliga to
go to England from Southern
India and I have very
nearly completed 2 years
course at my own cost and
now placed in a predicament
for want of funds to finish
the remainder of my course,
and wish to leave this, if possible,
to England on the 1st of November
with a view to keep my
Michaelmas term

I therefore humbly beg You
to be kind enough to recommend my
case to the Govt to grant me a Scholar-
-ship of at least 12£ a month for
15 months at the most & my passage
to and from and Call fees 40£ when
I shall be called to the Bar and Scholarship
to be lasted from 1st Nov 1900 to 31 Jan 1902

To,

The General Secretary,

To The Government of Mysore

Sir,-

The humble petition of B Nagappa, of Gray's Inn, and a native of Bangalore, respectfully sheweth that on the 18th October 1900, he approached the Government through the recommendation of the Principal Central College for a small grant of Scholarship only for a few months

The reasons for which have already been stated in the said application, which for the kind consideration of the Government are shortly mentioned here

The hurble petitioner is a Mysorean and the only one among 1,400,000 Vakkaligas in Mysore nearly ¼ the population of Mysore State who has come to receive English education in London, after finishing the College course in India

He joined the Hon'ble Society of Gray's Inn in Easter Term 1899, and successfully got through all the necessary examinations within the shortest possible time allowed by the"Consolidated Rules and Regulations of Inns of Court and of the Council of Legal education," and obtained satisfactory testimonials from the Council and the Professors, the copies of which have already been submitted and that he is competing for honours in Law this year, which need hardly be said, is the greatest honour that can be conferred in Law in the British Empire, and has hardly yet fallen to the lot of any Indian The humble petitioner will be eligible for a call to the Bar in January 1902

14

The humble petitioner underestimated the cost of 3 yea-'s Law course in England, and after completing nearly two-thirds of the course, was obliged to return to India in July 1900 and apply for scholarship, owing to deficit of funds In order to avoid serious risk of missing the November term, which would have unnecessarily prolonged his stay in England and consequently increased his expense, the petitioner contracted debts and embarked on a second voyage fully anticipating the support of the Government but to his utter disappointment the Government have not yet sent any reply though he was obliged to wire on the 19th January last.

Owing to the climax of great financial difficulty, in which the humble petitioner is placed penniless in a foreign country, where the cost of living need scarcely be said is ten times greater than that of India - he was obliged once more to remind the Government by wire on the 12th inst so as to expect a timely help.

Under these circumstances the humble petitioner, respectfully requests the benign Government which following the exmaple of its Sister Native States, was foremost in helping the deserving students like Messrs Abdul Basith and M Krishnasawney Naick who drew 200£ a year for 2½ years, requests to help him who belongs to most illiterate and backward community in Mysore, in his sore need of difficulty and enable him to complete the remainder of his course by granting a small scholarship mentioned in the annexed Schedule, for which act of kindness the humble petitioner will ever pray and will ever be ready to serve his Country in case his humble services are required.

Earnestly hoping that his humble petition be met with favourable response,

Your most obedient servant,
